SUMMARY

Results-driven and enthusiastic under graduate with excellent communication, teamwork, and organizational skills. Passionate about learning new things, embracing challenges, and contributing to organizational success through dedication, responsibility, and a proactive approach. Eager to build a successful career while continuously developing both personally and professionally.

EDUCATION

Baderia Global Institute of Engineering and Management			Jabalpur (M.P.)
Bachelor of Technology in Computer Science and Engineering CGPA 7.88			2023 - present
Central Academy School (MP Board)			
Higher Secondary Certification Exam	Percentage	87%	2022 - 2023
Spring Dales School (MP Board)			
Secondary School Certification Exam	Percentage	85.4%	2020 - 2021

PROJECTS

- **Hand Gesture Volume Controller-** A real-time Hand Gesture Volume Controller built with Python. The application uses a webcam to detect the user's hand, measures the distance between the thumb and index finger, and converts that gesture into Windows system volume control.
- **Ucab – Cab Booking System-** Developed a full-stack cab booking web application using MongoDB, Express.js, React.js, and Node.js enabling users to book rides, manage profiles, and track bookings. Implemented RESTful APIs, authentication, and real-time data handling with a structured MVC architecture.

TECHNICAL SKILLS

- Language-C++,Java
- Frontend Development (HTML,CSS,JS)
- Tools- Git, GitHub, VS Code
- Core Concept-Data Structure and Algorithm,DBMS,OOPS, Computer Networks

CERTIFICATIONS

- Smart India Hackathon 2025 Internal Level
- Google Android Development - Eduskills
- Red Hat Application Development I: Programming in Java EE
- Introduction to Data Science -Cisco Networking Academy
- Computer Networks & Internet Protocol Elite - NPTEL

ADDITIONAL INFORMATION

- Languages: English, Hindi
- Hobbies/Interest: Listening Music
